Service Subscription

1. Login Trade Single Window Portal (<https://www.tradesinglewindow.hk/login>)
2. Click “Subscription” > “Subscribe Now” and select the desired service (s) to subscribe

Service	TSW Account Types Allowed	Supporting Documents Required	Approval
Advance Cargo Information (Road) ¹	All	Not Required	Not Required
Bundling (Road) ²	• Agent • Individual³	Individual / Truck Driver ONLY • Vehicle Licence • Closed Road Permit (if provided in the form) • HKSAR Driving Licence	Individual ONLY

1. Advance Cargo Information (Road) service has been subscribed automatically for ROCARS's shipper and agent users.
2. Bundling (Road) service has been subscribed automatically for ROCARS's agent and truck driver users.
3. Individual can subscribe bundling service during registration, and approval will be processed in one-go.

ACI (Road)

1. Submit ACI (Road)

Go to “Cargo Information” > “Road” > “Advance Cargo Information (Road)” > “ACI (Road)”

- a) Direct inputting ACI details;
- b) Using template with pre-filled ACI details; or
- c) Uploading XML file for ACI submission

2. Bind multiple CCRNs into batch for subsequent enquiry and bundling

Go to “Cargo Information” > “Road” > “Advance Cargo Information (Road)” > “ACI (Road)” to search and select CCRNs to “Bind in Batch”

3. Respond to Customs’ query on submitted ACI

Go to “Cargo Information” > “Road” > “Advance Cargo Information (Road)” > “ACI (Road) Query and Response”

Bundling Service Workflow

To conduct bundling, select one of the following ways:

IVRS

1. Dial IVRS Hotline 3902 3333 / 3153 2265
2. Login with IVRS account number, password and RSA/ “FortiToken Mobile” security code
3. Follow the audio instruction to conduct bundling

OR

TSW Portal

1. Login TSW Portal with TSW username and password (for ROCARS user, use ROCARS ID and password)
2. Go to “Cargo Information” > “Road” > “Bundling (Road)” > “Submission of Bundling”
3. No RSA/ “FortiToken Mobile” security code required

Arrangement for Security Token

- ❖ Existing RSA token can be used until April 2029
- ❖ “FortiToken Mobile” app will be used for new registered account in TSW and will replace damaged or lost RSA token
